Early Registration will be held in the field house:

18 October 2008 11:00 – 4:00

1 November 2008 11:00 – 2:00

Save $10 by registering early.

Early registration also allows the league to recruit managers, and develop schedules and do all the other behind the scenes requirements early.

WATER, WATER soon to be here.

Thanks to a generous act. We have gotten water and sewer lines brought to the vicinity of the field house and concession stand. The next step is to put on a building addition to provide for two family restrooms and a space for an ice machine and the items required to serve fountain drinks and expand the hot food menu. Another donor has already contributed, toilets and urinals for the restrooms. We still need sinks, pipes etc..

We still need additional help.

New requirements require that the building addition be overseen by a licensed contractor. In addition, we need a plumber, a mason and an electrician who might be willing to donate their time for free or at a reduced cost.

If you can help or know someone who can, please contact Tom Conter @686-1001.

Want to help but don't have the time to be a board member

Your daughters need adults to step up a volunteer to be on the field maintenance committee, to recruit sponsors, coach pitch rep, fundraising committee. You may also check the bulletin board by the concession stand to pull just one job to do as you have time.

And last but not least many Kudos to Sharon Kitchin who stood up and volunteered her time to serve as Concession Stand Goddess (manager) THANK YOU SHARON!!!!!!
