### UNIFORM NEWS!

The league has purchased new uniform tops for the major and senior players. These shirts will be issued to each player at the beginning of the season and are to be returned at the end of the season. They can be worn with black shorts.

T ball and coach pitch players will be receiving a t-shirt that they can keep and should wear black shorts with it, weather permitting.

Players will need to provide their own shorts but they can be purchased through the league. Carol White will be distributing an order form the first week of practice. The shorts are \$9 and come in sizes Youth Small up to Adult XL.

For more info, please contact Carol at 465-2438 or {

**OPENING DAY IS APRIL 9!**

**FOR ALL MANAGERS AND  
COACHES – MARCH 8 & 15**

Little League requires that the local league provide fundamentals and first aid training for its managers and coaches. Little League International has made attendance at these training sessions mandatory. The **Fundamentals Training Session** will be conducted by Ms. Chris Ake, Head Coach of the Norfolk State University Softball Program. She has extensive experience with girls softball programs and was previously the Varsity Softball Coach at Western Branch High School. The **Norfolk Red Cross First Aid Training Staff will conduct the First Aid Training Session**. This training will focus on the situations and likely requirements for first aid during a regular fast pitch softball season. Managers and coaches are required to attend both sessions.

#### **Fundamentals Training**

Location: Russell Memorial Library; Time: 7:00-8:00 p.m.; Date: **March 8th, 2005**

#### **First Aid Training**

Location: Russell Memorial Library; Time: 7:00-8:00 p.m.; Date: **March 15th, 2005**

Please contact: Pete Reilly, WBLL Safety Officer at 488-8530 or {
